

God I thank you for a being an awesome God. I worship and adore You. I thank You that You created us in Your image and in Your likeness. As youths and young adults gather in this conference together I pray You will bind us together as one and that Your Holy Spirit will guide us into purpose. Lord help us to rise up and walk in the assignment You have called us to fulfill. Help us to be passionate and persistent about our assignment and our calling. I pray that we will begin to recognize the relevance and the reason behind this assignment and the mantle that You have given us to make a difference in our churches and in our communities. Lord I pray that Your Holy Spirit will guide us and give us wisdom on how to fulfill our purpose. I pray that we won't take our individual assignments for granted but we will recognize how essential it is for us to begin to rise up in boldness and to push towards a higher and greater calling which is in Christ Jesus. Lord help us to be humble and sincere as we go about offering services to others. I pray that we will begin to learn from You how to become

humble servants to others. I pray that the services we offer to others will begin a transformation within us, our homes, our churches, our communities, our country and our world. Lord we recognize that we need Your strength, Your wisdom and Your Holy Spirit to lead us and guide as we press into greater purpose. I pray that You will begin to stir up the anointing power and fire of the Holy Spirit that is inside of us for us to continue to push and press forward into the victory. As we leave this conference, I pray that we will leave recharge, renewed, revived and ready to press together into the assignment You have called us to fulfill in Jesus name I pray amen.
